

How to Write a Thesis(Temporary Binding)

Established on April 1,2004

Partially revised on February 17, 2012

Partially revised on December 20, 2013

- (1) The thesis should be written either in English or in Japanese.
- (2) The thesis should be type-written and doublespaced on A-4 paper.
- (3)The title, the author's name, and submission year (Anno Domini) should be printed both on the front cover and on the spine. A Japanese title should be also printed on the front cover if the thesis is written in English (see below).
