

1. Introduction

In accordance with partial amendment of the Regulations for Academic Degrees (Ordinance of the Ministry of Education No. 9 of 1953), publication on the Internet is required in place of the previous binding of hard copies for students receiving doctoral degrees after April 1, 2013.

The United Graduate School of Agricultural Sciences requires the submission, at the time of application for degree and after granting of the degree, of the forms and publication data of doctoral thesis, etc., by a student who receives a doctoral degree after April 1, 2013. As submitted Data shall not only be retained at the University but also sent to the National Diet Library, there are detailed regulations on preparation thereof. Hereinafter the details will be described and students shall register by questionnaire system of the United Graduate School after confirming the content.

2. Before Data Preparation

(1) Treatment of Copyright

For treatment of copyrights in doctoral theses and online publication of the summaries in place thereof, it is necessary for students to confirm the terms and conditions of journal publishers, etc., because many students will publish content from doctoral theses on the Internet when the major theses are to be or have been published in journals, etc. Please confirm the copyright regulations of the publishers using the academic society copyright policy database (SHERPA/RoMEO and SCPJ) in the “Kagoshima University Repository,” posted on the home page of Kagoshima University.

Search method is posted on the home page of the United Graduate School of Agricultural Sciences.
